

Swivel feet plates, Form C

Item description/product images

Description

Material:

Plates die-cast zinc or stainless steel 1.4305.

Version:

Die-cast zinc plate, black powder-coated.

Stainless steel plate, bright.

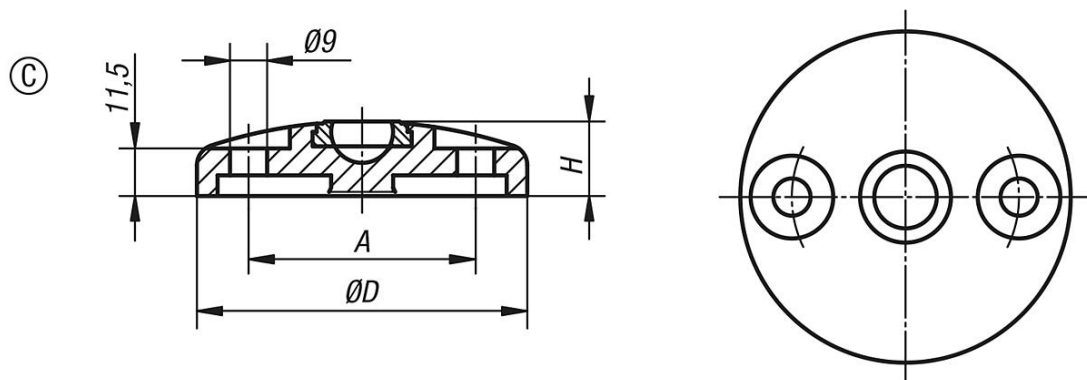

Note:

Swivel feet consist of a plate and a threaded spindle or ball joint. Any plate can be combined with any threaded spindle or ball joint. The anti-slip plate absorbs vibrations and prevents the swivel foot slipping.

For matching threaded spindles see B0354.

For matching ball joints see B0355.
