

Levelling feet ECO, Form A

Item description/product images

Description

Material:

Plates thermoplastic; die-cast zinc or stainless steel 1.4305.

Version:

Thermoplastic plate black.

Die-cast zinc plate blue electro zinc-plated.

Stainless steel plate bright.

Note for ordering:

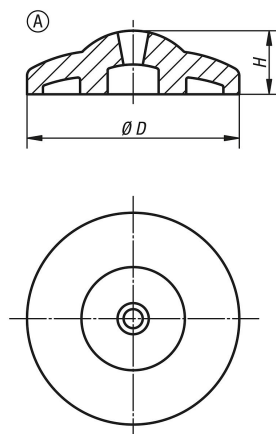

If the levelling foot plate and the threaded spindle are to be supplied assembled, please add the suffix "assembled" to the order number for the plate and spindle. (e.g. B0368.10303 and B0367.080801 "assembled".)

Note:

Levelling feet ECO consist of a plate and a threaded spindle. Any plate can be combined with any threaded spindle.

For matching threaded spindles see B0367.
