

## PRODUCT OVERVIEW

DRILL BUSHES | OPERATING PARTS | STANDARD ELEMENTS

# NEW IMPULSE FROM BLOHM

## Tradition since 1934

**NORMTEILWERK ROBERT BLOHM starts afresh – with a new management crew, a new internet presence and a comprehensive expanded product range.**

The first-class product range includes over 35,000 items, available 24/7 from the online store.

We remain one of the most renowned manufacturers of drill bushes and special parts based on customer specifications. Decades of experience in the production of rotationally symmetrical parts make us specialists in this field.

A handwritten signature in blue ink, reading "O. Braun".

Otto Braun
